

Hello
Spring

District Attorney Summer Stephan
& our Hearts of Gold Gala emcee,

We are grateful for your Hearts of Gold!

Thank you to everyone who joined us on February 11th to inspire hope for a brighter future at our Hearts of Gold Gala! We are incredibly proud that 93% of every dollar raised goes directly to programs and services that are breaking the cycle of domestic violence and homelessness here in San Diego County! We couldn't do what we do without your support!

Hope is blooming at Crisis House

Click the video below to hear success stories and how we are helping to break the cycle of domestic violence, child abuse, and homelessness and connecting families and individuals to crucial resources that empower them to renew their lives!

Spring in to Action!

Our Spring Monthly Supporter Campaign is dedicated to closing the gap in our annual budget deficit of \$600,000. In FY 2021- 2022 alone, Crisis House served 5,456 people and ended homelessness for 292 families with 365 children. Our Camp Hope program supports 125 children and youth traumatized by domestic abuse with year-round mentoring and activities, counseling, and camperships.

If you were to contribute **\$88 a month**, you would provide the unforgettable experience of one week of overnight summer camp for one of our deserving Camp HOPE participants!

\$125 a month would provide bedding, small appliances, and other furnishings for a family in our domestic violence programs starting their new life in their new apartment!

\$280 a month would cover the monthly cost of diapers for one child in our New Journey transitional housing program for women with children fleeing domestic violence.

\$435.40 a month would cover the costs of one activity (like kayaking, museums, college tours, art) for one age group of Camp HOPE participants for one month!

Please know that the families and youth we serve could not have renewed lives without your support.

We value our partnership with you, and we **THANK YOU** for your continued support to break the cycle of domestic abuse and empower families and children to transform their lives.

Make a difference now!
